11. General Remarks:

Maintenance of College accounts are found satisfactory except the following cases for which remedial measures have been suggested below:-

(a) General Fund:

General fund Cash Book is not balanced daily, the same should be regularly balanced.

As per audit point of view writing up of the Cash Books should be daily on day to day basis and monthly reconciliation with the bank statements should strictly be adhered to.

- (b) Fees Collection Register should be maintained properly, and all online fees collection to be recorded therein. The online fees collections are to be tally with bank statement, henceforth for smooth verification of fees collections.
- (c) Ledger Accounts of General Fund is not properly maintained, therefore, audit suggested this important register should invariably be maintained.
