ACTIVITY REPORT ON
OBSERVANCE OF MERA MAATI MERA DESH

- On 14th August, 2023, NSS Unit of MDKG College, has organized Panch Pran Pledge taking ceremony and Veeron ka Vandan by lighting diyas fulfill the 'Mera Maati Mera Desh'.
- Total 23 Volunteers took part on the day. Moreover, 58 NSS Volunteers have registered themselves in the MMMD portal.
- The Pledge encouraged the NSS Volunteers to ensure personal growth as well as national development, to be proud of the rich heritage of the country, and relentlessly strive to keep the unity and integrity of the country intact. It also enlightened the Volunteers to educate thyself on the duties as a good citizen and carry forward the sense of duty in conduct and actions. Moreover, lighting diyas to convey respect to the Veers of our Nation who sacrificed and contributed for the welfare of the Nation.

Panch Pran Pledge

I take the following five vows to ensure personal growth and national development:

I vow- to commit my efforts towards the development of the country by word, intent and action.

I vow- to be free from the vestiges of colonial mindset and rid myself of slave mentality.

I vow- to be proud of the rich heritage of the country, and hold high the nation's eclectic values of thousands of years.

I vow- to relentlessly strive to keep the unity and integrity of the country intact and keep the country safe from disruptive elements.

I vow- to educate myself on my duties as a citizen and carry forward this sense of duty in conduct and actions.

Jai Hind!! Jai Bharat!!

GLIMPSE OF ANNUAL COLLEGE WEEK

National Mathematics Day Celebration, 2022

On the occasion of National Mathematics Day Celebration at Manohari Devi Kanoi Girls' College, Dibrugarh, an interactive talk on “**Understanding Women Physical & Mental Health and Wellbeing**” was organized on 22nd December, 2022 by the Department of Mathematics at Campus-II of the college. The program was co-ordinated by Dr. Juli Konwar, Head, Dept. of Mathematics, initiated by Mrs. Purnima Chutia, Associate Professor, Department of Mathematics and inaugurated by the Principal of the college, Dr. Nibedita Phukan. The program began with an welcome address by Ms. Khusbu Sonowal, President, Student Union of the college and moderated by Ms. Swapnali Kalita, B.Sc. 3rd Semester (Mathematics Honours). Ms. Kalpita Baruah, B.A. 3rd Semester (Mathematics Honours) briefed the audience about the celebration of National Mathematics Day. Ms. Nasima Ahmed, Assistant Professor, Department of Pharmaceutical Sciences, Dibrugarh University, acted as Resource Person and delivered talk on the topic. She emphasized on the need of understanding the physiology behind menstrual cycle of female in particular age range. Further, she suggested not to administer medicines without proper consultation with doctors and to avoid traditional medicines without having scientific justification. The student participants of the college were highly benefitted from the invited talk. The students made in-depth interaction with the Resource Person. The programme was also graced by Vice-Principal and teachers of the college, and parents invited for the Parent-Teachers Meet. The program ended with a vote of thanks offered by Ms. Swapnali Kalita.

The poster features a dark blue background with a network of glowing blue lines and nodes, resembling a mathematical graph or molecular structure. In the top left corner, there is a circular logo with a yellow border containing a sun and a book. The main title is in a large, white, serif font. Below it, the event details are listed in a smaller, white, serif font, including the names and titles of the participants and organizers, along with the date, time, and venue.

National Science Day 2024 celebrated at Manohari Devi Kanoi Girls' College, Dibrugarh

On 28th February 2024, Manohari Devi Kanoi Girls' College celebrated National Science Day on campus II. The event was thematized on "Indigenous Technologies for Vikshit Bharat". The day-long program began with the College Anthem performed by members of the Student Union of the college. The inaugural session was graced by Dr. Nibedita Phukan, the honorable Principal of the College, as

the chief guest, and Dr. Bitap Raj Kalita, Associate Professor, Department of Physics, Dibrugarh University, as the Guest of Honor. During the celebration, a lamp was lit in memory of Sir C.V. Raman, who discovered the Raman effect, for which he was awarded the Nobel Prize in 1928. This discovery is the reason for celebrating National Science Day throughout India on the same date every year. The inaugural

session was anchored by Mr. Bidyutjyoti Dutta, joint co-ordinator of the National Science Day celebration followed by the welcome address by Kabyashree Dutta, Assistant Professor of the Department of Zoology of MDKG College. The honorable Principal of the college, Dr. Nibedita Phukan inaugurated the program and highlighted the significance of indigenous technologies developed by scientists and their importance in her inaugural speech. Further, the event was dignified by a lecture from the Guest of Honor, Dr. Bitap Raj Kalita, Department of Physics, Dibrugarh University who addressed the theme of National Science Day 2024 along with the journey of Aditya L-1. Dr. Kalita emphasized on the urgent need for developing scientific temperament among the students. Dr. Kalita is a member of sub-committee

on ionosphere impact Aditya-L1 Space Weather monitoring and Predictions Plan (ASWMP) of ISRO. The Inaugural session ended with a vote of thanks by Sourabhjyoti Changmai, Joint Co-ordinator of the National Science Day celebration.

As a part of this celebration, a few competitions among students of secondary level and undergraduate level were organized. A poster competition on the theme “Science, Technology and innovation for Sustainable Development” was organized. The students showcased the importance, aims, and relevance of the theme during their presentations. An inter-departmental poster competition was also organized among the students of MDKG college to promote the scientific attitude. Along with poster competitions, a series of competitions were organized including a Science Quiz, Essay Competition on the theme “Make in India: Advancing Indigenization of Technology”, and Mobile Photography competition. In addition to the students of MDKG college, participants from DHSK College, DHSK Commerce College, Dhemaji College, Dibrugarh University, Gyan Vigyan Academy, Little Flower School, and Downtown School of Nursing participated in these events. To encourage the students, the winners of the competition were awarded with certificates of appreciation and memento trophy. All the participants were awarded with the certificate of participation. An exhibition and sale were organized for undergraduate students on National Science Day 2024 to promote young talent.

The day-long program ended with a valedictory session, prize distribution, and the felicitation of judges for various events.
