

# A Report On The Celebration of International Human Rights Day, 10<sup>th</sup> of December, 2021.

On the Occasion of International Human Rights Day celebrated on 10<sup>th</sup> of December every year, the Department of Political Science, MOKB College in collaboration with IQAC organised an academic lecture on 'Human Rights and its Relevance'. The program started at 1.15 pm with a warm welcome to the Honorable Resource Person, Dr. Nita Paul, Retired Associate Professor, Dept of Political Science, Women's College Tinsukia, Assam. Ms. Rupjyoti Das, HOD, Dept. of Political Science, MOKB College put forward her inaugural speech and further welcomed Dr. Nikhita Phukan and Dr. Anjali Baruah with the former being the Principal and the latter being the Vice Principal of MOKB College. The dignitaries were accompanied to take their respective chairs by Dr. Anita Sharma. The event proceeded further with the lighting of the lamp by the dignitaries after which Ms. Rupjyoti Das handed over the agenda of the program to the Honorable Principal. The dignitaries were then felicitated by Dr. Anita Sharma and Dr. Jagdish Das. The Honorable Principal and Vice Principal gave their respective valuable speech on Human Rights. The theme announced for International Human Rights Day 2021 is 'Reducing Inequalities and Advancing Human Rights' - By declaring this theme loud and clear the HOD, Ms. Rupjyoti Das invited Dr. Nita Paul, the Honorable Chief guest for the day to share her valuable knowledge on the same. Dr. Nita Paul is a highly knowledgeable person who has published many books. She also gave gifted some books from her publication to the college as a sweet gesture.

Dr. Anita Paul in her speech highlighted some very important points. She stated that rights we can't always expect to get our due rights by just demanding for it, sometime we need to snatch it off. From her own personal experience she described how she witnessed the exploitation of human rights. There are international conventions and at the national level there are constitutional provisions but how far are these into practice is really a matter of concern. When Man started living in an organised way, they felt the need to have some natural rights because some power mongers in the society feels that rights should only be seen by them. To enjoy our rights we need to be very vigilant. Only a true human can understand the essence of human rights.

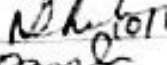

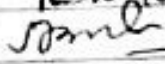

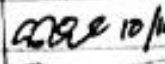

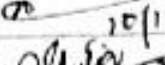

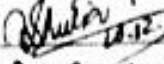

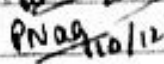

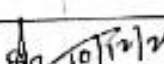

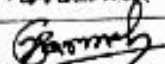

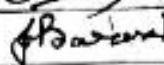

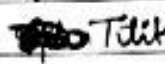

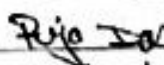

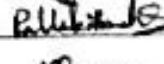

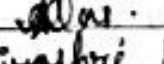

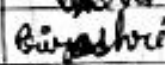

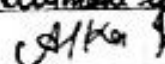

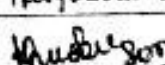

Thereafter the students present in the venue were given the opportunity to come forward and express their view on the same. To which the students exhibited a very positive response and expressed their point of view on the topic. Lastly, the program ended with a vote of thanks conveyed by Dr. Anita Sharma.
