A webinar on biodiversity conservation was held on 5<sup>th</sup> June, 2021 on occasion of world environment day in GOOGLE MEET. The webinar was conducted by six semester students of science stream of MDKG College, Dibrugarh. Dr. Prabal Saikia, chief scientist and principal investigator, ICAR-AINP on vertebrate pest management, RARS North Lakhimpur acted as the resource person of the webinar. Dr. Saikia delivered speech on need of biodiversity conservation and how it affects the environment. He also explained how stringent measures can be adopted to conserve biodiversity of the country both in government level and institutional level. Dr. Nibedita Phukan, Principal of the College inaugurated the webinar and congratulated the six semester students of science stream of the college for their grand initiative to organise such a wonderful webinar.
