## Abstract

A workshop on “Network Security “was organised by the Department of Computer Science of MDKG COLLEGE on the 9<sup>th</sup> of November and 10<sup>th</sup> of November, 2023. This Co-curricular activity is in concurrence with systematic approach towards raising computer literacy against cyber criminology, master defences against phishing, smshing, vishing, Identity theft and aware students about various feature on windows such as windows defender, firewall protection as a way to safeguard their computer and mobile phones.

## Organisers and Venue

The programme was organised by:

- Department of Computer Science, M.D.K.G. College

The workshop was organized in the premises of the new science campus of the college. The Inauguration sessions was conducted in the Room no 201 at 2<sup>nd</sup> floor while the Lecture session and hands-on sessions were conducted in the ICT laboratory at first floor. The Valedictory Session was organised in the conference room at ground floor.

## Resource Persons and Audience

The resource persons invited for the meeting was:

- Dr. Utpala Borgohain, Assistant Professor, centre of Computer Science, Dibru College, Dibrugarh

The target audience of the workshop were

- Students of M.D.K.G. College of first semester pursuing UG programmes
- Students from Tinsukia colleges pursuing UG programmes.

**As per MOU with Tinsukia College , their degree students are also given opportunity to join the workshop and two students have joined the workshop.**

## Events

### Inaugural Session

The inaugural session was attended by

- Dr. Mansi Sharma, Vice Principal, M.D.K.G College
- Dr. Utpal Sut , IQAC Coordinator, M.D.K.G. College
- Manisha Hazarika, Hod department of Philiosophy, M.D.K.G. College
- Dr. Utpal Sut, IQAC Coordinator, M.D.K.G. College
- Resource person of the workshop: Dr Utpala Borgohain
- Faculty members of the college
- Workshop participants
- The Inaugural program began at 10:00 am with the lighting of lamp followed by welcome and felicitation of guests. The welcome address and Inaugural address was delivered by Dr. Mansi Sharma, Vice Principal, M.D.K.G College after which Dr. Utpal Sut IQAC Coordinator, M.D.K.G. College gave a brief introduction of our Resource Person Dr Utpala Borgohain. I. The program objectives were then outlined by Miss Rimpi Sarma, Assistant professor, Department of Computer Science, M.D.K.G. College . After the vote of thanks from Miss Rimpi Sarma, Assistant professor, Department of Computer Science, M.D.K.G. College the workshop was declared open. The technical sessions were then started after a brief tea break.

### Technical sessions

The program schedule for the two days is provided in annexure \_1\_\_.

Day/Date	Session	Contents
Day 1 (09/11/2023)	Lecture Session 1	Basic concept on security system, Introduction to Cyber security, cyber security domain
	Lecture Session 2	Threats and vulnerabilities, phishing, social engineering, vishing, viruses, bombs, adware and spyware
	Lecture Session 3	Different types of cyber attack, Denial of attack, different types of cyber criminals, service web, deep web ,dark web, hacking , types of hacking, how to protect information
	Hands-on Session	hacking , types of hacking, practical on how to protect

	4& 5	information
Day 2 (10/11/2023)	Hands-on session 6	Network security ,its types, Encryption and decryption
	Hands-on session 7	AES encryption and decryption algorithm, VPN, proxy server
	Hands-on session 8	Firewall, practical on window security features, identifying IP address of mobile and computer , identifying MAC address, how to secure computer and smart phones

### **Valedictory program**

The Valedictory program was organized at the end of the workshop on 10<sup>th</sup> November, 2023 at 3:00pm. Dr. Nibedita Phukan, Principal, M.D.K.G. College, Resource persons- Dr. Utpala Borgohain , Anirban Sinha Assistant Professor, Department of Physics and Rimpi Sarma, Assistant Professor, Department of Computer Science, M.D.K.G. College and all the participants attended the Valedictory session along with the participants.

After addresses from the guests Appreciation letter and token of love was given to the resource person, e-certificate were distributed to participants and group photographs were taken.

### **Participants' feedback**

Participant's feedback on each day was collected at the end of the program through google forms. The link for the forms are:

Day1: <https://forms.gle/3u6dH47jjYt5ZQG6>

Day 2: <https://forms.gle/Dp1eEr5EtkUr59zt8>

A detailed report on the participants' feedback has been provided in annexure \_\_3\_\_

### **Concluding remarks and future prospects**

The students who attended the workshop were very much delighted to meet the resource person and gain valuable knowledge from them. They were also enthusiastic about attending more of such programs in the future.

## Annexure 1

1. Although The Session Was Good And Got to Know About Many things
2. The workshop was nicely organised
3. It was very helpful to get to know about cyber crime Whatever I have learnt today I can apply it in my daily life for safety
4. A very helpful workshop for computer science students and other department students. Learned many new thing today. Dr. Utpala borgohain maam explanation was up to mark. She really explained in such a easy way. All together it was a very helpful workshop for all of us.
5. For me being a 1st sem student and computer science as a minor subject.... Would like to thank both the teachers Ma'am Utpala for giving so much effort for our betterment and Ma'am Rimpi for organising such a helpful workshop! The workshop is very useful and knowledgeable for me ... I learned many important things today ... It will help me in my further studies in the field of computer science!
6. It was very helpful for day to day life
7. Wonderful workshop and very informative. It was a very good experience for me to know so much or to learn so much. I have always been interested in going into the field of cyber security so it was very good for me to know so much today 😊
8. The program was really helpful .
9. The program is really helpful
10. Wonderful workshop! Highly informative.
11. Thank you ma'am for giving us information about the topic of which we were not concerned about it and also for awaring us about the traps by which we could have been a victim of hacking.
12. The workshop was really nice. I liked it very much and I found the workshop to be very knowledgeable and informative.
13. It is very important in our life . I would learn many things about the data network.
14. Very good experience learned something interesting and ne

### What was the easiest part (topic) in the session

1. cyber security
2. The easiest part in the session was how to check window security in laptop
3. Firewalls
4. CIA traid
5. CIA traid
6. I feel firewall topic was easiest topic
7. Social engineering part
8. Firewall
9. VPN

### What was the most useful thing (topic) you learned in the session(s)

1. Cyber security how to secure or save our mobile or any information from the hack ....
2. About the network security.
3. The most useful thing I learned in the session was how can I safeguard my data and about window security
4. About cyber crime
5. About cyber crime
6. The most useful thing I learned is that, we should aware of working of network security, how it's operated for our safety and security in our day to day lives.
7. plain text, encryption, decryption, firewall, cryptography, rsa decryption calculator tool etc.
8. the network security
9. How to safe our data

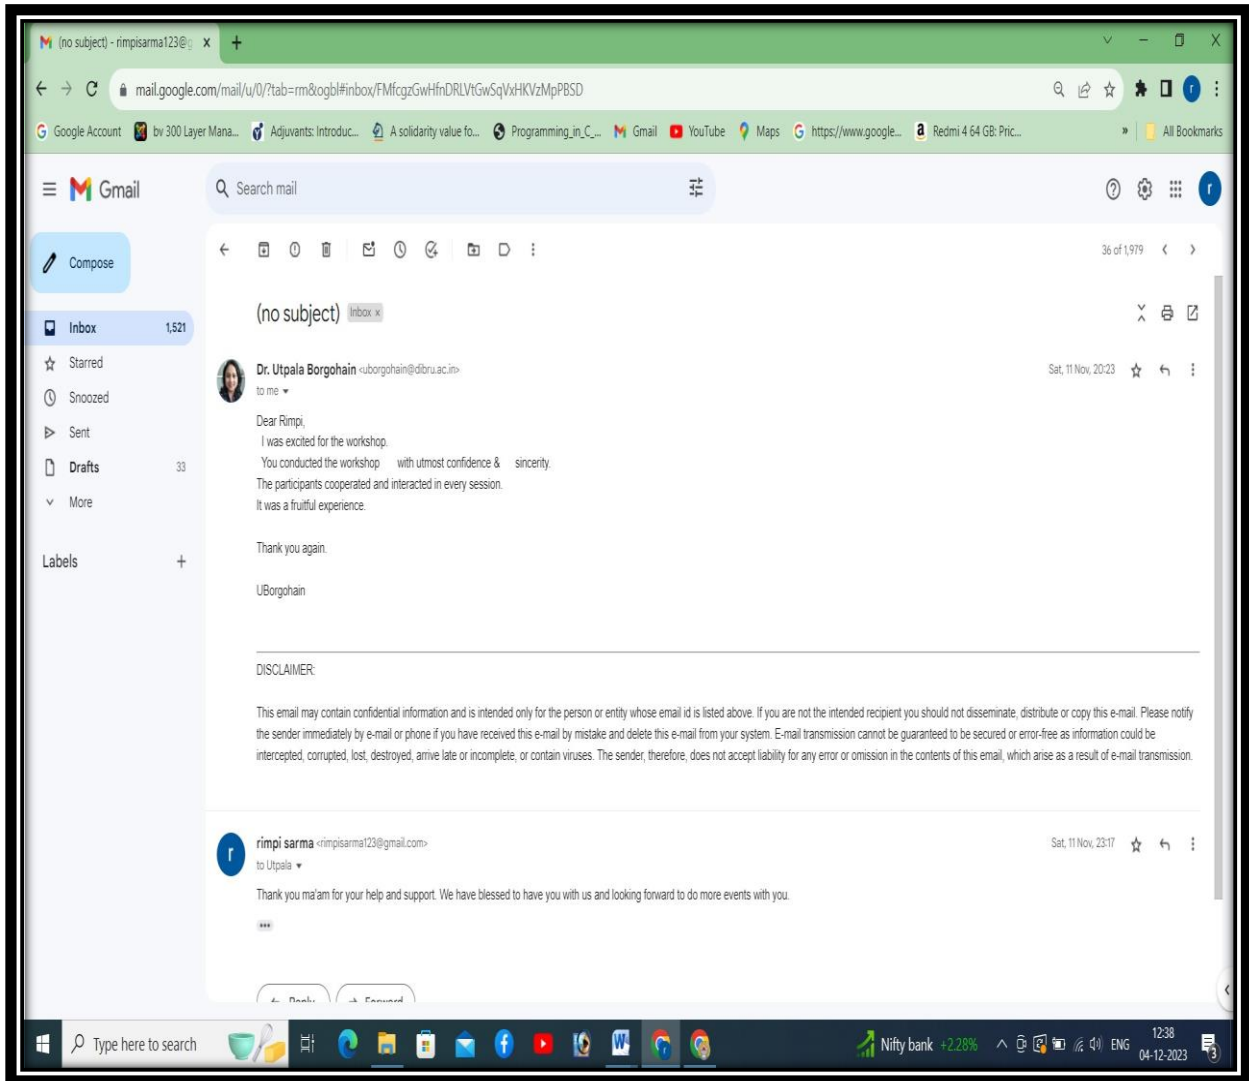

### What was the toughest part (topic) in the session

1. Firewall
2. Proxy server
3. VPN
4. Encryption
5. Cryptography
6. I did not find anything difficult because ma'am explained it very well that's why I understood it easily.
