 Practical Final Exam 80%

Attendance:

The image shows a handwritten attendance sheet on lined paper. The text is oriented horizontally but the paper is rotated 90 degrees clockwise. The handwriting is in black ink. The sheet contains several columns and rows of text, which are mostly illegible due to blurring. Some words like 'Name', 'Date', and 'Attendance' are faintly visible. There are several columns and rows of text, suggesting a table structure for recording student attendance.

Handwritten notes on a page with a header. The text is organized into a table with approximately 10 columns and 15 rows. The columns contain various entries, possibly names or categories, and the rows contain corresponding data or descriptions. The handwriting is cursive and somewhat faded.

Handwritten notes on a second page, similar to the first. It features a header and a table with multiple columns and rows. The content appears to be a continuation of the notes or a separate set of data, written in the same cursive style as the first page.
