Environment Policy of Manohari Devi Kanoi Girls College

Introduction

Manohari Devi Kanoi Girls College is committed to fostering an environmentally responsible and sustainable campus. Our goal is to reduce our environmental impact, enhance ecological stewardship, and promote a culture of sustainability among students, faculty, and staff.

Objectives

- To minimize the college's carbon footprint and environmental impact.
- To integrate sustainability into academic programs and campus operations.
- To engage the college community in environmentally responsible practices.
- To comply with relevant environmental regulations and standards.

Waste Management

- **Reduce, Reuse, Recycle:** Implement comprehensive recycling programs and encourage the reduction of single-use plastics. Promote the reuse of materials and the reduction of waste across campus.
- **Waste Separation:** Ensure proper segregation of waste into recyclables, non-recyclables, and hazardous materials. Provide clearly labeled bins throughout campus.
- **Electronic Waste:** Establish procedures for the safe disposal and recycling of electronic waste.

Energy Conservation

- **Energy Efficiency:** Invest in energy-efficient lighting, appliances, and systems. Promote the use of renewable energy sources where feasible.
- **Conservation Practices:** Encourage practices such as turning off lights and electronic devices when not in use and optimizing heating and cooling systems to reduce energy consumption.

5. Water Usage

- **Efficient Use:** Implement water-saving fixtures and practices in campus facilities.
- **Awareness Campaigns:** Conduct educational programs to raise awareness about water conservation among students and staff.

6. Green Transportation

- **Encourage Sustainable Travel:** Promote carpooling, the use of public transportation, and non-motorized modes of transport such as biking and walking.
- **Infrastructure:** Provide adequate facilities for cyclists and implement programs that support and encourage sustainable commuting options.

DIBRUGARH - 786 001, ASSAM

মনোহাৰী দেৱী কানৈ মহিলা মহাবিদ্যালয়, ডিব্ৰুগড়, অসম।

7. Campus Greenery

- **Green Spaces:** Maintain and enhance green spaces on campus, including gardens, trees, and outdoor recreational areas.
- **Sustainable Landscaping:** Use native and drought-resistant plants to reduce the need for water and maintenance.

8. Education and Engagement

- **Curriculum Integration:** Integrate environmental sustainability topics into the academic curriculum to foster awareness and responsibility.
- **Workshops and Events:** Organize workshops, seminars, and events focused on environmental issues and sustainable practices.
- **Student Involvement:** Encourage student participation in environmental initiatives and provide platforms for them to contribute to sustainability efforts.

9. Compliance and Monitoring

- **Regulatory Adherence:** Ensure compliance with local, state, and national environmental regulations.
- **Regular Audits:** Conduct periodic environmental audits to assess the effectiveness of the policy and identify areas for improvement.

10. Policy Review

- **Continuous Improvement:** Review and update the environmental policy annually to reflect new insights, technological advancements, and best practices in sustainability.

The institution has successfully completed the process of Green and Environmental Audit and was evaluated with grade A by the Indian Council of Forestry Research & Education (ICFRE-Rain Forest Research Institute).

OBSERVATION OF BAN
MAHOTSAV WEEK**
7th July, 2021

Ban Mahotsav week online Poster competition among the volunteers, Quiz compt and plantation drive at their residence and spreaded the message of need for plantation.

The institutional environment and energy initiatives

Since the years the institution has making conscious efforts to elevate and promote environmental concerns to build a sustainable environmental system. Different activities have been undertaken like conducting a green and environmental audit by an external agency, saving energy by making minimal use, beautification of the institution, undertaking beyond the campus environmental activities, testing water and so on and so forth.

Beyond the campus environmental initiatives
