

Policy Document (PD)

in relation to the
Monthly Talk Programme

MDKG College
Dibrugarh, Assam
2024

1. Background

MDKG College is a public funded educational institution. As a public enterprise it has certain responsibilities towards its stakeholders that includes student community in particular and civil society in general. This institute, which renders education at UG level to the Arts faculty to a single gender student community since its inception; i.e. 1963, adds another dimension by starting the science faculty at UG level in the year 2016. Going one step ahead of its journey, the college started PG in Assamese from the year 2022 apart from running the existing Add On Courses in different departments. This premier institute for girls' education is well equipped with experienced and student centric teachers fraternity, physical facilities, ICT facilities, labs, library and many more facilities. The academic performances of students always add extra layer of pride and glory to its name. The fame of the college is further extended with the active participations of the teachers and students in different kinds of co curricular, extracurricular activities and other community based outreach programmes. Uncounted numbers of its alumni's who are serving the civil society in diverse fields with different positions are, in a true sense, the torch bearers of the upcoming students of the college.
